

12 Strongmen in the Bible

Sozo Ministries International

Jesus teaches us in the Gospel of Mark (3:23-27) that we have to bind the strongman. Therefore, in prayers of Spiritual Warfare we have to first bind the strongman, because it is the strongmen who are Satan's generals. The strongmen control the demons who create havoc in the lives of Believers. We have created a [printable] list of the 12 demonic strongmen, and the demons under their control and authority.
